Judy, The attaches represents the ship location for our Doral August tin with matches promotion. On my sheets you'll see that 1622 asked for 500 skus for the Indians.

Thanks,

SRM

Re: Excess Doral B2GF Tin w/ matches (508304)
Stephan please add this to the August workplan to be shipped. As I'm sure you recall I asked for an additional 500 sku's to work on the various reservations.
Thanks KLM
